"Committed!" God's Top Ten: Truths that Still Apply Series

Dr. Brian Stowe | Exodus 20:14, Matthew 5:27-30

It seems everyone has a top ten for this or that these days. Late night pundits and lots of bloggers talk about their top ten. Well, God had them all beat a long time ago. His top ten is still around too! They are called the Ten Commandments – and they still apply! Over the next few weeks we will walk through these familiar commandments and see some things to avoid as well as some other admonitions and practices we need to embrace. Through the lens of the New Testament, let's take this journey – and be the better for it!
