Sermon Series: NEHEMIAH: Desperate Dependence
Title: The Enemies of Desperate Dependence, Nehemiah 13

Dr. Brian Stowe October 23, 2022

"If we want revivals, we must revive our reverence for the Word of God." Enemies of desperate dependence:	
1	promises vv 1-14
	A. Forgotten promises lead to failed priorities.
	B. Remind yourself often of your commitment to the Lord so that His priorities
	remain your priorities.
Stay in God's Word consistently and before the Lord in prayer continually!	
2	disregard vv 15-22
	A. Subtle disregard leads to staggering disobedience.
	B. Subtle disregard is avoided by diligence in hearing and obeying God's Word
	individually and corporately.
3	Compromises vv 23-31
	A. Little compromises lead to large complications.
	B. Confession and cleansing are absolutely necessary to being used of
	the Lord.
	Idle minds and hands are the devil's workshop and workforce.
One Step Further,	
In my walk with Christ I will (fan the flame of desperate (and joyful)	
dependence on the Lord by):	
1	time in His Word. What revived them would
sustain them.	
2	time in prayer
