Our love for God shows in many ways, including how we use the resources He has given us. You can give in the receptacles at each Worship Center entrance, on the church website (FBCPC.com), or through the church app (FBCPC.com/Get-App).

First Baptist Church Plant City exists to lead people beyond “**just good enough**” to experience L.I.F.E. in Christ. We do this by offering opportunities to Worship, Grow, Serve, and Reach. These opportunities are available to everyone.

Grace was:

1. _____ vv 19-21

- A. It was shared far and wide.
- B. A shared grace is centered on the gospel that is most concerned with the Savior, not the share-er.

What's needed to share grace:

- 1. Receive God's gift of salvation.
- 2. Be aware of those around you (and far away) that need Christ.
- 3. Share the good news!
- 4. Trust the Lord to work.

Have you taken those steps?

2. _____ vv 22-24

- A. The good news of the impact of the gospel reached Jerusalem.
- B. Be a Barnabas.
 - 1. Have his eyes - he saw the grace of God
 - 2. Have his expressions - he was glad
 - 3. Have his encouragement - remain true to the Lord with devoted hearts
 - 4. Have his example - good man, full of the Holy Spirit, and of faith

3. _____ vv 25-30

- A. Barnabas and the church at Antioch were intentional in their actions impacted by grace.
 - 1. Barnabas was sent for a person.
 - 2. Saul and Barnabas were sent for a purpose.
- B. God wants to send you to touch people and meet needs.
 - Who will be in heaven that have no idea who you are, but trusted Christ because of you?
 - Who will be encouraged and edified because you chose to see the work of God's grace in their life and future?
 - Who will have their futures changed because you left your comforts to help them?

Our Pastor

Dr. Brian Stowe came to First Baptist in 2013. He and his wife Bonnie have four children: Sarah, Hannah, Andrew, and Elizabeth. Pastor Brian earned his Doctorate in Ministry from Southeastern Baptist Theological Seminary. He also holds a Master of Divinity from Southwestern Baptist Theological Seminary and a Bachelor of Science in Mechanical Engineering from Georgia Institute of Technology.
