Giving

Our love for God shows in many ways, including how we use the resources He has given us. You can give in the receptacles at each Worship Center entrance, on the church website (FBCPC.com), or through the church app (FBCPC.com/Get-App).

The truth is that every person is either a missionary or a mission field.

1. From _____ to redemption vv 1-9

A. Saul's rebellion was atrocious.

B. His redemption was amazing.

But even with that judgment rendered by the Lord, He also declared redemption.

2. From _____ to helpless vv 10-16

A. Saul's helplessness as a new believer was as intense as his haughtiness before his conversion.

How did the Lord respond? He didn't want to talk about Saul's past. **He wanted to talk about his present and his future,**

B. Is the description and plan of a new believer's future enough for you to get uncomfortable and do whatever is necessary to help him/her take the next steps in their new walk with Christ?

3. From _____ to bold vv 17

A. As Ananias obeyed the Lord and Saul listened to the Lord's vessel (Ananias), God would embolden Saul to share for Him.

B. Many unnamed others were Saul's first helpers, encouragers, teachers, and cheerleaders.

Never underestimate the importance of one person brought to Christ.

One Step Further:

In my walk with Christ I will

1. _____ **resisting Him and surrender to Him.**

Believer,

2. Say _____ **to what the Lord wants ME to do; not comparing His leading in my life to those around me.**

In my walk with others I will

3. _____ **to look where the Lord looks at their life - their future, not their past.**

4. _____ **them be all God wants them to be, even if they get much more recognition than I ever do.**

Our Pastor

Dr. Brian Stowe came to First Baptist in 2013. He and his wife Bonnie have four children: Sarah, Hannah, Andrew, and Elizabeth. Pastor Brian earned his Doctorate in Ministry from Southeastern Baptist Theological Seminary. He also holds a Master of Divinity from Southwestern Baptist Theological Seminary and a Bachelor of Science in Mechanical Engineering from Georgia Institute of Technology.
